

# Berkshire

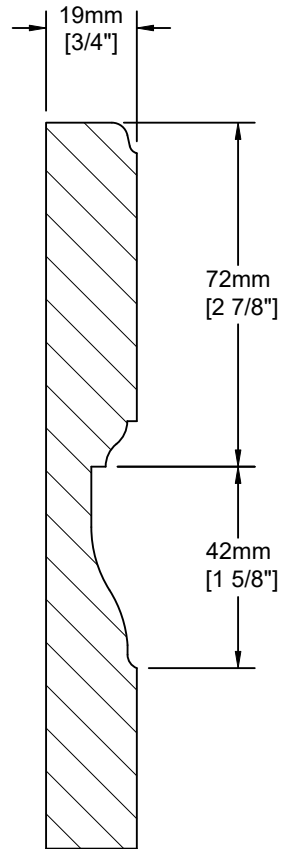

## Notes:

MDF 1 piece construction. Ogee details on outside profile, inside of rails, and raised panel. Square ogee corners on inside of rails.

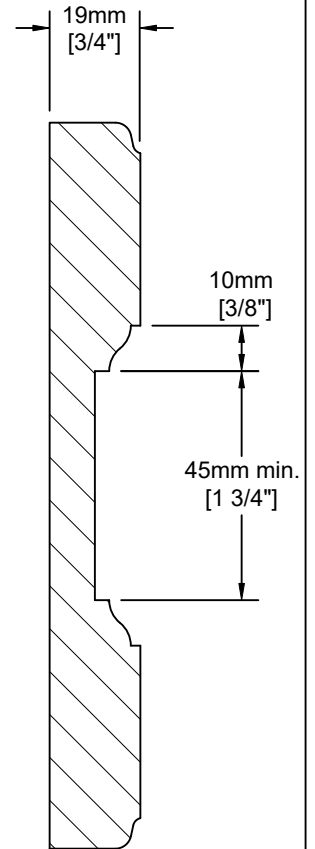

Fronts less than 262mm (10 1/4") may have reduced rails and may have a pocketed flat center panel.

Fronts less than 140mm (5 1/2") will be slabs.

See Hampshire door for flat panel version.
