

Reeded Shaker

Door Detail

Drawer Detail

Mullion Detail:

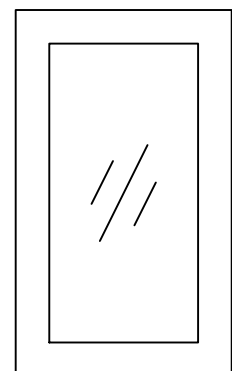

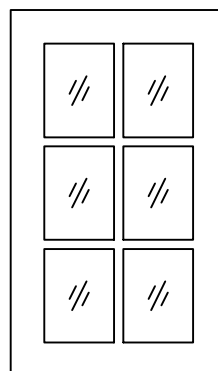

Notes:

MDF 2 piece construction. Square Shaker inside corner, 13mm (1/2") reeded insert panel door. Square edge profiles.

Standard rail size of 57mm (2-1/4"). Limitations in width of door to avoid partial reeding on insert panels. Doors to be ordered in 13mm (1/2") increments.

Fronts less than 203mm (8") will be slabs.
